**Vice Presedent of the development of the small
projects association**

General Manager of Khartoum adv. Co.

I graduated from faculty of economics and rural development and i have Master degree of Marketing ,till now iam student DBA iwill finishing in December 2017 .

I started my business early in April 2000 established my company Khartoum advertizing specialized in media and Branding promotion ,marketing .

Khartoum advertising co. Is knowing and have abig marketshare in Sudan combare with other advertizing companies . Always I like to help and support women for that i enjoyed to the development of the small projects association to help and empowering women economically idid many workshops .Irepresent Sudan in the board of FEMCOM by election and on last September 2017 launched the FEMCOM Sudan office.

Iam amember of the national committee of COMESA .

Iwork at a member of the national committee for the advancement of women this committee was formed by adecision of the council of ministers iwrote many reports of the women situations in business and suggested the solutions for the problems that may be faced them.
